Think on This...

"I remember thinking that I could disguise the way I am by somehow filtering my expression for the sake of juvenile social acceptance or I could say to the world, "Here I am, if you don't like it, don't clap."

- David C Riggins

Give meaningful gifts that make a difference with "Gifts with Vision".

Each year's gift catalogue gives a glimpse of the breadth of our Mission & Service ministries and programs.

Giving the Gift of Life is just a "click" away...

While people in Canada are receiving COVID vaccines, people in many other parts of the world have no way to get them. Of all the vaccines administered around the world, less than 2% reached Africa and less than 7% reached South America. Many countries in the global South and East won't even be able to start a vaccine program until 2022. Support the worldwide effort to protect people from COVID-19, one vaccine at a time.

We are inviting the whole church to give this gift of life. For just \$25, members of our community of faith can give a life-saving, full vaccination to someone living in the global South or East. Vaccine procurement, logistics, and delivery provided through our partners at UNICEF.
