

*Message sent to BSUC Congregation – Monday, December 20, 2021*

THE NEXT FEW WEEKS ...

Further to the decision to provide this year's Christmas Eve service via YouTube exclusively, your Governance Board (while still fully committed to having at-church, in-person worship whenever feasible) is announcing today its plan to also have worship for December 26, January 2, and January 9 also online exclusively.

This action is influenced by 3 factors:

1. A significant rise in the provincial (and local) Covid case count;
2. An awareness of our congregation's specific demographic; and,
3. A desire to help interrupt the Omicron variant spread.

The Governance Board will meet again in early January 2022 to reassess its position, mindful of its primary desire to facilitate at-church, in-person worship.

Thank you for your understanding as we respond to the ever-changing face of the pandemic.

Sincerely

*Frank Hiebert, Vice-Chair, Governance Board*
